WALL MOUNTED ADJUSTABLE SHELVES - 12 gauge steel vertical uprights support 3/4" oak shelving. Shelf brackets are extra heavy duty and adjustable on 2" increments. Uprights and brackets have a satin Anochrome finish. Vertical uprights should be ordered separately. Two vertical uprights are used for shelves 24-48"W. Shelves over 48"W require three vertical uprights. Shelves 24-48"W come complete with oak shelf and one left and right shelf bracket. Shelves over 48"W come complete with oak shelf and one left, right and center shelf bracket. Shelves available in 8", 10" and 12" depth.
